Subject: Cleanup the Willamette, protect our jobs

A big, expensive river cleanup may sound like a good idea. But it isn't.

Please know that so many important jobs in Portland are tied to the Willamette River. I support a river cleanup but I'm worried that the plan will be so inflexible and expensive that it will drive out small businesses.

Thank you for recognizing that there is a real cost to employers for this cleanup. And thank you for everything you're doing to protect our river.

Sincerely,
